IUCN SSC Specialist Group Newsletters

The Species Survival Commission has many Specialist Groups which carry out their work on a voluntary basis. Most of the Specialist Groups produce a Newsletter, which consists of news of their speciality from all over the world. Some of these newsletters come out annually, some biannually and some triannually. The specialist Groups are unable to provide every specialist in the world a copy of their newsletter, however some valuable information is contained therein which would be useful to people interested in these subjects. Zoo Outreach Organisation has requested SSC for copies of all the specialist group newsletters which we maintain in our library for the purpose of reference of anyone in the country. Every year we publish the list of Specialist Group Newsletters we have on hand from the last year and put an "at cost" price on each so that they can be ordered by our readers. To keep cost down we copy in half size. The stated cost includes Rs. 2 postage. This year's list is below.
